Prayers for March

YOUR LOVE NEVER FAILS

Though I see a dry riverbed, You revive me.
 Though my plate is empty, You fill me. Though lies abound, You are my Truth. Though the earth is full of darkness, You are my Light. Though there are rumours of war, You are my Peace. Though the earth moves and shakes, You are my Rock, my firm foundation, in You do I trust.
 Lord, grant me a tenacity to pursue You with all I have within me, so I can know the One who loves me with a perfect love. Open the eyes of my understanding so I can know the breadth, length, height and depth of the love You have for me. Lord, how can this love be four dimensional? It cannot be of this world; it is a perfect love which is of heavenly proportion. Lord, let me love You with the love You have given me. Let me be a manifestation of Your love to those who see a dry riverbed, have an empty plate, are troubled by lies, fear when they hear disturbing rumours or feel the earth move under their feet. Your love never fails. I pray in the Mighty Name of Jesus. Amen
