Wednesdays, 15th May – 26th June

Tab Café, 7.30pm

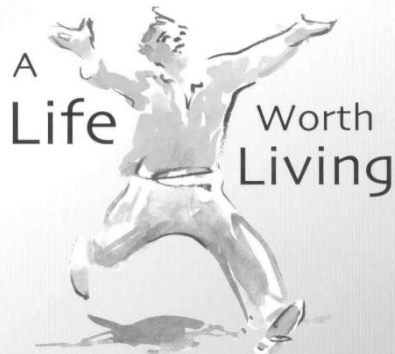

all welcome

During the spring/summer months we will offer a central based mid-week opportunity for fellowship, discussion, laughter and reflection on the Christian faith. They will meet on consecutive Wednesday evenings – apart from 29th May (due to holidays) – finishing on 26th June.

The meetings will be held in the café style and we will be using a DVD of Nicky Gumbel's talks on the Letter of Paul to the Philippians: 'A Life Worth Living'.

Nicky Gumbel is the presenter of the Alpha Course and has an entertaining and engaging style. The sessions will look at how to live the Christian life positively, practically and joyfully. It will address many of the issues of modern living and ask how we can find a life worth living.
